

New Partnership Announcement

Amavida Living Selects Unidine as its Strategic Dining Partner

FLORIDA, November 1st, 2020 -

Amavida Living announced its new partnership with Unidine Corporation, a leading provider of food and dining management services. This decision is part of Amavida Living's strategic plan to enhance their dining services, hospitality and resident satisfaction.

Amavida Living is a 32-acre resort style senior living community in Fort Myers with independent, assisted and memory care living opportunities. The community is equipped with state-of-the-art amenities and clubs like remote-controlled sailing, water aerobics and creative arts. Amavida Living also operates four chef-inspired restaurants from fine-dining to a bistro-style grille. Their goal is to take the impersonalization out of senior living.

Under this new partnership Unidine will further drive Amavida Living's unique resort-living approach through its artisan menu offerings and premier hospitality. Amavida Living's four differentiated dining venues ensure that all residents can experience variety and excitement in dining.

Partnering with Unidine enables Amavida Living to further establish itself as a leading senior living community in the Fort Myers area. Since Amavida Living's founding in 2019 they have worked tirelessly to create a world-class environment for active aging adults, and continue to make innovations to their existing world-class facilities.

“ Food is the ingredient that brings people together”, I would add quality of food. So when I thought of fresh ingredients and an outstanding dining experience, I immediately thought of Unidine. It's only the finest for our Amavida residents..”
