New Glarus Home Selects Unidine As its Strategic Dining Partner

Wisconsin, November 2020 -

New Glarus Home announced its new partnership with Unidine Corporation, the leading provider of food and dining management services. This decision is a reflection of New Glarus Home's strategic plan to elevate their resident satisfaction metrics through an inspired and well-supported dining program. Unidine's fresh food pledge and high quality programming align with New Glarus Homes' mission of providing quality care.

New Glarus Home is a continuing care retirement community with short-term rehabilitation and expanded therapy services. Founded in 1966 in partnership with The United Church of Christ, they are Green County's premier provider of retirement community living. Their mission originated out of the desire to provide the New Glarus community with a safe, secure and positive environment for aging adults to flourish. New Glarus Home was awarded Top Nursing Home for Short-Term Rehabilitation and Long-Term Care by U.S. News & World Report in 2019-20.

Under this new partnership Unidine will work in tandem with New Glarus Home to enhance the resident experience through strong in-unit leadership, nutritional expertise and exceptional hospitality.

Through the added support of an experienced dining partner, New Glarus Home plans to elevate menu offerings with Unidine's experienced culinary teams, bolster resident health through our team of dedicated dietitians and improve the customer experience through Unidine's unique S.H.I.N.E. training.

“

HONESTLY, I BELIEVE THAT IT WAS THE FRESH FOOD PLEDGE THAT SEALED THE DEAL FOR ME AS AN ADVOCATE FOR FOOD AS MEDICINE. ITS IMPERATIVE THAT OUR RESIDENTS RECEIVE GOOD NUTRITION TO THRIVE AND LIVE THEIR BEST LIFE AND HAVE A POSITIVE FOCUS AND RESPONSE ON MEALS. IT'S A PLACE THAT IN THE POST-PANDEMIC WORLD WE WILL NEVER TAKE FOR GRANTED AGAIN!
