

New Partnership Announcement

Four Winds Hospital Selects Unidine as its Strategic Dining Partner

Saratoga, January 2021-

Four Winds Hospital announced its new partnership with Unidine Corporation, the leading provider of food and dining management services. In outsourcing the support of an experienced dining partner Four Wind's Hospital hopes to elevate patient satisfaction metrics through a culturally inspired, varied and nourishing dining program. Unidine's Fresh Food Pledge is uniquely positioned to capture that need and deliver on culinary excellence.

Four Winds Hospital is a premier health care provider in the Saratoga Springs region, founded in 1978 by Samuel Klagsbrun, MD. It provides both inpatient and outpatient mental health treatment services. Four Wind's Hospital is a leading specialized provider of inpatient psychiatric treatment for children, adolescents and adults in the northeast. Enlivened by its philosophy of providing quality treatment, delivered at the appropriate level of care and with cost effectiveness. It's smaller scale treatment centers allow for specialized care models with a heightened attention of patient experience.

Under this new partnership Unidine will support Four Winds Hospital in patient care outcomes and boost satisfaction through an atmosphere of healing and comfort.

With proven hospitality service, a fresh food approach and technology integrations, Unidine will optimize performance of the foodservice department and create meaningful experiences that meet patients' needs at bedside and impact reputational scores.

About Unidine

Unidine operates in over 400 facilities and is the leading provider of food and dining management services for discerning clients throughout the United States. Since its founding in 2001 by President and CEO Richard B. Schenkel, Unidine's success derives from consistent execution in four key areas – and exclusive focus on food and dining management services, a commitment to seasonal, fresh-from-scratch cooking, exceptional customer service and a corporate culture enlivened by each team member's passion for culinary and service excellence. Unidine's network of dietitians and culinarians leverage the latest research to support cultural enrichment and wellness strategies for hospitals and behavioral health facilities, and also exceptional service for senior living communities and corporations.
