

New Partnership Announcement

Lourdes Rehabilitation Center Selects Unidine as its Strategic Dining Partner

Michigan, November 2020 -

Lourdes Rehabilitation Center announced its new partnership with Unidine Corporation, the leading provider of food and dining management services. Lourdes Rehabilitation Center's decision to partner with Unidine was to leverage an experienced dining partner with proven success and deep rooted operational support systems to facilitate tailored offerings to residents' evolving health needs across the continuum of care. Through this partnership Lourdes Rehabilitation Center can take confidence in knowing their mission of "returning individuals to the highest functioning possible" is achieved through bolstering nutrition, quality menus and emotive engagement.

Lourdes Rehabilitation Center, located in Waterford Michigan is a premier assisted living community with services ranging from rehabilitation to therapy. They service the aging American population across the entire continuum of care with services in Independent Living, Assisted Living, Rehabilitation and Memory Care. Lourdes Rehabilitation Center is backed by a team of physicians, physiatrists and psychologists to ensure the highest level of functionality upon recovery.

Under this new partnership Unidine will work in tandem with Lourdes Rehabilitation Center to leverage robust resources and technology with culinary artistry and clinical expertise to create dining programs tailored to the specific needs of residents and support positive clinical outcomes.

Through the added support of an experienced dining partner, Lourdes Rehabilitation Center residents can count on Unidine to provide a high level of attention, responsiveness and distinctive hospitality.

About Unidine

Unidine operates in over 400 facilities and is the leading provider of food and dining management services for discerning clients throughout the United States. Since its founding in 2001 by President and CEO Richard B. Schenkel, Unidine's success derives from consistent execution in four key areas – and exclusive focus on food and dining management services, a commitment to seasonal, fresh-from-scratch cooking, exceptional customer service and a corporate culture enlivened by each team member's passion for culinary and service excellence. Unidine's network of dietitians and culinarians leverage the latest research to support cultural enrichment and wellness strategies for hospitals and behavioral health facilities, and also exceptional service for senior living communities and corporations.
