

New Partnership Announcement

Palo Pinto General Hospital Selects Unidine as its Strategic Dining Partner

Texas, March, 2021 -

Palo Pinto General Hospital announced its new partnership with Unidine Corporation, the leading provider of food and dining management services. Palo Pinto's decision was rooted in its mission of promoting optimal health and well being of the entire community by providing patient and family centered, quality healthcare in a respectful and safe environment. Unidine's hospitality centric approach to fresh-from-scratch and seasonal offerings combined with proven nutritional programming aligns with Palo Pinto's dedication to supporting holistic patient care outcomes and boosting satisfaction.

Palo Pinto General Hospital came into health in April 1965. The network offers immediate and primary care with diagnostic assessments, women's services, men's health, lab draws, and more with several convenient locations. Located in Mineral Wells, the treatment coverage area Palo Pinto General Hospital assumes is close to 10,000 square miles and 100,000 people. The needs and demands for healthcare have grown and the facilities have expanded to deliver the power of wellness for the community.

Unidine will work in partnership with Palo Pinto General Hospital to improve the patient experience through nutrient rich menus offering fresh, health-based variety, enhanced technology integration and proven culinary programming to service every dining need for every patient. Through the added support of an experienced dining partner, Palo Pinto General Hospital is empowered to promote wellness outcomes through the elevation of menu offerings supported by experienced culinary teams, encourage optimal health with expert dietitians and improve the patient experience through Unidine's unique S.H.I.N.E. hospitality training.
