

New Partnership Announcement

Laurel View Village Selects Unidine as its Strategic Dining Partner

PENNSYLVANIA, July 2021 -

Laurel View Village has announced a new partnership with Unidine Corporation, the leading provider of food and dining management services. Unidine will work with Laurel View Village to enhance the dining experience across the continuum of care with made-from-scratch culinary offerings.

Located in the scenic Laurel Highlands near Johnstown PA on a 46-acre campus, Laurel View Village is a continuing care retirement village that invites residents to plan for a life they love. It offers independent living, personal care, memory care and skilled nursing facilities. Seniors at this vibrant yet peaceful community enjoy a wealth of activities and amenities that include meticulously kept grounds, a walking trail, indoor swimming pools and wellness centers, plus multiple on-campus dining venues, including a restaurant that welcomes members of the wider community.

Unidine will work closely with Laurel View Village to satisfy their vision of a true farm-to-table dining experience, adding more fresh and local ingredients to their menus while leveraging the expertise of culinarians and nutrition professionals. A focus on fresh food, diverse programming and hospitality excellence will enhance Laurel View Village's existing venues, Fresh Harvest, the Country Store, the Village Café and Vista Dining. Unidine will begin to incorporate new, technology-driven solutions to streamline resident and staff meal service and delivery.

Laurel View Village sought a partner who could provide exceptional service and culinary offerings at various levels of care. Unidine's demonstrated experience will drive operational efficiencies while ensuring that all residents experience fresh, exciting meals with a personal touch.

“*Laurel View Village set out to select a dining partner who would increase food quality and resident satisfaction, while controlling costs. We are excited to begin our partnership and see the Unidine program enhance the lives of our residents.*”
