

New Partnership Announcement

Kelsey-Seybold Selects Unidine as its Strategic Dining Partner

Texas, December, 2021 -

Kelsey-Seybold announced its new partnership with Unidine Corporation, the leading provider of food and dining management services. This decision was prompted by Kelsey-Seybold's commitment to its role as a local healthcare provider and steward promoting health, wellness and giving to the communities they serve. Unidine's commitment to recruiting and retaining top talent, as well as creating high quality dining destinations aligns with Kelsey-Seybold's mission of accountable care.

Kelsey-Seybold provides healthcare excellence to the greater Houston area, with one of the most trusted names in medicine. Providing convenient access to skilled and compassionate care through 29 multispecialty care centers, Kelsey-Seybold delivers high-quality and comprehensive medical care with a dose of old-fashioned caring and personal attention.

Under this new partnership Unidine will work in tandem with Kelsey-Seybold to improve patient, visitor and staff experience through variety, enhanced dining amenities and proven programming to service every dining need.

Through the added support of an experienced dining partner, Kelsey-Seybold is empowered to elevate menu offerings with Unidine's experienced culinary teams, bolster patient wellness with Unidine's team of expert dietitians and improve the customer experience through Unidine's unique S.H.I.N.E. training.

Changing the way health cares.™

About Unidine

Unidine operates in over 400 facilities and is the leading provider of food and dining management services for discerning clients throughout the United States. Since its founding in 2001 by President and CEO Richard B. Schenkel, Unidine's success derives from consistent execution in four key areas – and exclusive focus on food and dining management services, a commitment to seasonal, fresh-from-scratch cooking, exceptional customer service and a corporate culture enlivened by each team member's passion for culinary and service excellence. Unidine's network of dietitians and culinarians leverage the latest research to support cultural enrichment and wellness strategies for hospitals and behavioral health facilities, and also exceptional service for senior living communities and corporations.
