

# New Partnership Announcement

## Baptist Life Communities Selects Unidine as its Strategic Dining Partner

KENTUCKY, 2022

Baptist Life Communities (BLC) announced that it has entered a new partnership with Unidine Corporation, a leading provider of food and dining management services. Unidine will support BLC resident communities: The Village@Erlanger and The Seasons@Alexandria in providing quality and caring services to residents, staff, and visitors.

BLC is the largest provider of housing, healthcare, and a variety of beneficial services for the 55+ community in Northern Kentucky. As a non-profit, faith-based organization, BLC is committed to providing solutions to the challenges its residents face, enhancing the resident's lifestyle with quality choices and dedicated service.

Under this new partnership Unidine will work in partnership with BLC to enhance resident satisfaction and quality care by leveraging the robust resources, training and education, industry staffing capability, culinary artistry and clinical excellence programs to create dining programs specific to the resident's preferences.

By engaging in a strategic partnership with Unidine, BLC will be supported by an experienced dining partner, so that they are able to shift their focus back to providing quality and caring services to their residents knowing Unidine will deliver on service excellence and dining expertise. This is achieved by building individualized solutions for each community with customized hospitality experiences supported through Unidine's signature hospitality training S.H.I.N.E. and the added support of an experienced dining partner like Unidine.

## About Unidine

Unidine operates in over 400 facilities and is the leading provider of food and dining management services for discerning clients throughout the United States. Since its founding in 2001 by President and CEO Richard B. Schenkel, Unidine's success derives from consistent execution in four key areas – and exclusive focus on food and dining management services, a commitment to seasonal, fresh-from-scratch cooking, exceptional customer service and a corporate culture enlivened by each team member's passion for culinary and service excellence. Unidine's network of dietitians and culinarians leverage the latest research to support cultural enrichment and wellness strategies for hospitals and behavioral health facilities, and also exceptional service for senior living communities and corporations.
