

New Partnership Announcement

Carrollton Regional Medical Center Selects Unidine as its Strategic Dining Partner

TEXAS 2022 -

Carrollton Regional Medical Center (CRMC) has announced a partnership with Unidine Corporation, a leading provider of food and dining management services. Unidine's proven record of success in rural and community healthcare settings will help Carrollton enhance health-based nutrition and improve the retail offerings for employees of the medical center, two elements of its complete medical solution.

Located in Carrollton, Texas, CRMC is a 216- bed acute care hospital serving Carrollton, Farmers Branch, Lewisville, The Colony, and the surrounding community. CRMC is dedicated to providing excellent care for patients and creating a safe work environment for practitioners and staff, offering an array of services with high-quality focused care.

In partnership with CRMC, Unidine will deliver meals prepared from scratch with whole, fresh ingredients and a focus on health, wellness. Through the added support of an experienced dining partner, CRMC is empowered to promote wellness outcomes through the elevation of menu offerings supported by experienced culinary teams, encourage optimal health with expert dietitians and improve patient experience through Unidine unique S.H.I.N.E. hospitality training.

About Unidine

Unidine operates in over 400 facilities and is the leading provider of food and dining management services for discerning clients throughout the United States. Since its founding in 2001 by President and CEO Richard B. Schenkel, Unidine's success derives from consistent execution in four key areas – and exclusive focus on food and dining management services, a commitment to seasonal, fresh-from-scratch cooking, exceptional customer service and a corporate culture enlivened by each team member's passion for culinary and service excellence. Unidine's network of dietitians and culinarians leverage the latest research to support cultural enrichment and wellness strategies for hospitals and behavioral health facilities, and also exceptional service for senior living communities and corporations.
